

# The Highly-Anticipated 2017 Fake News Awards

TEAM GOP (/AUTHOR/TEAM-GOP) | MEDIA (/TOPIC/WHITE-HOUSE-MEDIA/) - January 17, 2018

2017 was a year of unrelenting bias, unfair news coverage, and even downright fake news. Studies have shown that over 90% of the media's coverage of President Trump is negative.

Below are the winners of the 2017 Fake News Awards.

1. The New York Times' Paul Krugman claimed on the day of President Trump's historic, landslide victory that the economy would never recover.

Well, now that collusion with Russia is proving to be a total hoax and the only collusion is with Hillary Clinton and the FBI/Russia, the Fake News Media (Mainstream) and this phony new book are hitting out at every new front imaginable. They should try winning an election. Sad!
